

Missionary Highlight

Todd & Penny Beaudin —
Cadence International

It has been a while since we updated you, our partners in ministry on what's going on here in Oahu. We promise you we've not been taking a siesta on the beach, lazing the days away!

COVID restrictions are gone for good (we pray) as of March 25, 2022.

That means no limitations on size of groups, masks or travel. Praise the Lord!

Our numbers are starting to pick up at Home Port and we still have two other homes that are open alongside us in different places on the island. Todd continues to teach via Zoom from Home Port to the other homes and we all serve the same food. Ministry has been powerful and our personal lives have been busy.

We so appreciate each of you that pray for the ministry here and/or support it financially. We feel it and appreciate your faithfulness to uplift us and our service members to the Lord. They have had difficult times dealing with toxic leadership, COVID restrictions and now a housing problem. The Pearl Harbor Housing suffered a jet fuel leak into their water system. Most of them had to evacuate in search of alternate housing which is in short supply and expensive.

Prayer Requests:

1. For their ministry to reach the service members by home studies and fellowship.
2. For those who are in need of housing.
3. For Todd & Penny—for a renewed anointing of the Holy Spirit for wisdom, strength, and favor.
