Mark leads trips to Guatemala twice a year and helps at Pikangikum when needed. They have been married for 38 years and have 5 grown children, all serving the Lord in ministry with their families.

Kirsten Wagenius

Kirsten (Nelson) Wagenius, has served in Covenant regional offices and churches, before being appointed in 2009 to InterVarsity Christian Fellowship's Grad & Faculty Ministry on the campus of St. Cloud State University. Missionally, she extends hospitality and life discipleship to faculty clusters, and graduate students from around the world who come here to study. It's a joy to journey alongside each one, and send them out into their vocations loved and equipped to be Good News to others.
